				<u>RECEIVING/INSPECTION:</u>		
				Vehicles will be inspected for compliance with these specifications by a State inspector at the dealer's place of business prior to delivery. Inspection will commence within five (5) working days of notification. Inspection will include: specification compliance, workmanship, appearance and proper operation of all equipment and systems and that all documents are present. The burden of proof of compliance with this specification will be the responsibility of the bidder. Call the agency contact reference on the Purchase Order for assistance in contacting the State inspector.		
				Completion of inspection or acceptance by the State inspector shall in no way release the dealer from satisfying the requirements of the contract, specifications, and warranty. Deviations from the specified requirements that are detected by the owning agency shall be corrected by the dealer in an expeditious manner at no expense to the owning agency.		
				Preparation for Delivery: The completed vehicle as presented for the "final" acceptance shall be cleaned, internally and externally (freshly washed and chamois) and delivered full of fuel and with a full charge to the battery system.		
				Parts and Service: Body and component repair parts and service shall be readily available from the contractor.		
				Weight Certificate: Upon delivery, (for registration purposes) the contractor must provide a certified weight certificate showing the total "Tare" weight for the vehicle.		
				<u>CHANGE ORDERS:</u>		
				This Purchase Order may be amended, modified, or terminated at any time by mutual agreement of the parties in writing. Change orders amending, modifying or terminating the Purchase Order, including any modifications of the compensation payable, may be issued only by the State Procurement Officer. All such change orders shall be in writing and issued only upon written concurrence of the supplier. Termination, as that term is used in this section, does not include termination for default of the supplier.		
				This Purchase order has been registered into the state contract and procurement registration system (https://www.scpss.dgs.ca.gov/). The registration number is eP 1002154.
